The XXIX Convention of the Spanish Killis Society (SEK) will be held in Alpedrete (Madrid) during the days 13,14 and 15 of September of the 2024 (Friday, Saturday and Sunday).

The Convention, thanks to the collaboration of the Hon. Alpedrete Town Hall, It will be held at the Asunción Balaguer Cultural Center located in Plaza Francisco Rabal nº2 28430 Alpedrete (Madrid)

Alpedrete is a town northwest of the Community of Madrid, surrounded by pastures of oaks and ash trees

A town open to anyone who wants to discover it, it sits on a superficial granite plate. Known for its quarries, from which granite was extracted to build monuments as he Monastery of El Escorial, the Palace of East or the valley of the Fallen.

Those quarries that gave life and economy to the town are located in a natural environment appreciated for its flora and fauna. Alpedrete is nominated, along with others municipalities in the area, to become Biosphere Reserves; and has requested the inclusion of their quarries in the Catalog of Wetlands of the Community of Madrid.

Its milder summers than Madrid made many Madrid residents use it as a second summer residence. But the location, proximity to Madrid and being in An enclave in the Madrid mountains caused the number of people to multiply from the 90s onwards. stable population, doubling only in which goes of century.
